

**Do you have what it
takes to play rugby,
G.O.A.T.S. style?**

GOATS Rugby Football Club Mission

The GOATS Rugby Football Club will achieve a superior level of rugby through the dedication and hard work of it's members, coordinated **TEAM PLAY** enhanced by individual efforts, training, and selflessness. Our level of rugby will render admiration, brotherhood and victory on and off the field of play; while at the same time fostering support, recognition and love for the sport of rugby, for all ages, in the Omaha area and beyond.

We Work Hard and We Work for the Team

One of the essential qualities of the club is its nearly 30 year history of developing top notch rugby players in the Omaha area. Simply put, G.O.A.T.S. Rugby Football Club has committed itself to providing its players with the best possible training environment while at the same time growing a team that has the capability of executing world-class rugby. Actively seeking new talent *like you* is a cornerstone of this commitment.

One of our major club goals is to be competitive on the field while developing younger, less experienced players. Our excellent coaching staff allows us to offer players with no prior experience, the chance to learn and excel at a dynamic and challenging sport. By blending varying player skill levels, we provide less experienced players with development while at the same time maintaining a competitive and disciplined brand of rugby.

We strive to keep everyone active and host numerous social events. We are also active in a variety of volunteer work. We take great pride in the fact that our members are civic minded and are active in the local community.

We welcome anyone who is interested in joining our club. Physical size is not an issue when it comes to the game. Rugby is a game that rewards speed, endurance, vision and intelligence. Brute strength and size are great assets to have but without the fitness to get around the field and the vision to create opportunities strength and size matter little. Athletes from different sporting backgrounds that tend to excel come from Basketball, Football, Wrestling and Soccer.

2007 Annual Toys for Tots Rugby Game

Our organization is truly an athletic fraternity. Everyone is welcome and invited to participate. We never discriminate on the basis of age, sex, race, religion, or national origin. We train, socialize and play rugby together as good friends throughout the year. If you have any questions regarding becoming a member please contact our Recruiting Coordinators, Corey DeJong (402-960-5547 or codejo01@yahoo.com) or Dave Winger (dawinger@cox.net).

Information regarding weekly general club activities, practices, game locations, times, and upcoming social functions are typically posted on the home page of our web site www.goatsrugby.com.

We always have several home matches every spring and fall season. So anyone interested in getting to know a little more about the game should mark their calendar. A current schedule is under a link on our web site. All home matches will be played at Storz Rugby Park in Omaha. The park is located on the corner of 16th Street and Storz Expressway near the Omaha airport. The entrance and a parking lot are located on the East side of the complex, you can find additional directions on our web site. See you soon at Storz Rugby Park.

2007-2008 West All-Star, Phil Lee
